

USTA JUNIOR TEAM TENNIS:

USTA Team Tennis is a national USTA program offered by Carmel Racquet Club. USTA Team Tennis gives players the opportunity to participate in a competitive format against players of similar ability. Team tennis is designed for match play. It is not a class or clinic. **All Team matches are played at Carmel Racquet Club on Sunday afternoons between 12:30-4:30 pm.** Matches are 2 hours long and include singles and doubles. There are NO mandatory practices for these matches.

Players are grouped according to age and ability. You can be placed on a team with other players or form your own team. If you form your own team, be sure to turn in your applications together in an envelope and the coordinator will not add players to your team without permission from the team parent.

The cost to play in the league is \$95.00 which covers court fees, match balls and a league T shirt. **Please note - League fees are non-refundable after October 20th.** Payments will be made to Carmel Racquet Club. No USTA membership is required.

Each team must have a team parent who is responsible to be sure your players know the schedule and have enough players available to play each match. The team parent will also make a lineup for the match, keep score and attend the matches. The league will not run without team parents.

Application forms **must be returned** to Carmel Racquet Club by:
10 & under - August 21, 2017.
All other ages – October 16, 2017

10 & under match play begins in September and will use orange or green dot balls. All other age groups start in November. Players **MUST** be able to serve at least 50% of their serves in. Advanced beginners are not ready for this kind of match play. All competition ends by April, 2018 unless teams must schedule make ups.

If you have any questions, please leave Suzie a message at Carmel Racquet Club or email to: szbooker16@gmail.com

Thank you,
Suzie Booker
